Dear Aaravrudra0806,

Thank you for your valuable contribution to PhonePe's security!

We appreciate your effort in responsibly disclosing a security vulnerability. After reviewing your submission, we are pleased to award you a bounty of $250 USD for your findings.

We encourage you to continue your research and submit more valid security reports to help us enhance the security of our mobile and web applications.

Looking forward to more collaborations!

Best Regards,
PhonePe Security Team
